Dates for your Diary

Date	Year group	Event
22nd July	Whole School	School closes for Summer holiday at 3:15pm
5th September	Whole School	We welcome our Children back to School. 08:45am

Dear Parents and Carers,

What can I say, it has been an absolutely fantastic year with so many achievements across all classes and for all children!! I am so proud of every child and I watch them with awe as they commit to school life with such enthusiasm and happiness.

Simon de Senlis is such a special school, made even more so by the wonderful staff and fabulous families. A recent visitor who came to monitor the teaching and learning on behalf of our trust, stated that 'SdS is an exceptional school' and I whole-heartedly agree with them.

Enormous thanks from me to you for all you do to support your child and the school. I hope you have a wonderful summer, and I can't wait to see you all on September 5th for another amazing year.

Take care

Mrs Fennelly

Have you started the reading challenge yet to read 6 books from the library by the beginning of September? Are you planning on completing it through the holidays?

Remember to go to the library next to TESCO to register and start the fun! I wonder if we will be the winners again this year for the most challenges completed??

We have great readers at SdS and I know you will love this challenge!

Thank you all so much for coming to the fete and for all your many donations of pint pots, cakes and raffle prizes!

With special thanks to all parents, teachers and helpers on the day!

We couldn't have done it without your support!

Money raised will go towards development of a new outdoor classroom!

**CONGRATULATIONS TO THE SCHOOL COUNCIL FOR
RAISING £488 FROM THE OBSTACLE COURSE.
EVERY CHILD HAD ENORMOUS FUN TAKING PART AND
THE SCHOOL COUNCIL WILL NOW PURCHASE
ADDITIONAL RESOURCES FOR THE PLAYGROUND.**

WELL DONE EVERYONE

Miss Garrard says...

Could your child be eligible for Pupil Premium Funding?

If you receive one of the following benefits then your child may be entitled:

Qualifying benefits

- Universal Credit (annual net income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- Income Support, income-based Jobseeker's Allowance or income-based Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on (paid for four weeks after you stop qualifying)

What does this mean for your child?

£150 towards the following each year:

- School day trips
- School residential trips
- School clubs
- Peripatetic music lessons
- Snacks (reception)

You will also receive a £40 school uniform voucher to spend online at Jules at Home each year.

You can apply for Pupil Premium by completing the form on this website: [Free school meals and pupil premium | West Northamptonshire Council \(westnorthants.gov.uk\)](https://www.westnorthants.gov.uk/free-school-meals-and-pupil-premium/)

Alternatively, I can make the referral on your behalf. I will require the following information to do this: your date of birth, address and National Insurance Number. Please email info@simondesenlis.org if you would like me to apply.

when you download the app or sign up for their
newsletter to receive offers.

Still To Come.... (Possibly!)

Information sourced from company websites. Please see company websites for latest
information, dates & terms & conditions and more.

Computing at home

Here are some fantastic device-free computing activities which children can complete at school but also at home! Why don't you have a go at one of these mini-activities? They build on skills which children have been demonstrating in school such as: Algorithms, Decomposition, Evaluation and Collaborating. Make sure you let us know if you complete either of the activities!

Activity

Instruction

Healthy body

Algorithms

Decomposition

Evaluation

Flexible learning

Challenge pupils to create an exercise routine for the class to stay healthy!

Create a success criteria with your class e.g. must raise your heart rate, use a variety of moves etc.

Pupils decompose their routine into sections and write the algorithm for all of the steps involved - they can include annotation on repetition e.g. Star jumps x 10.

Over a few days, find time for the class to follow pupils' routines and evaluate these against the success criteria.

Build-describe-reveal

Algorithms

Collaborating

Decomposition

Flexible learning

Pupils sit back to back in pairs across a table. One pupil secretly builds a Lego model. Then, whilst keeping this hidden, they then give their partner instructions for replicating it. They need to be precise in their instructions and their partner has to listen carefully.

Once complete, the two pupils compare their models - they earn a reward if they are identical!

You will also need lego or other construction materials.

DELAPRÉ ABBEY, NORTHAMPTON

Thursday 21st July to Sunday 7th August 2022

CREATE A DIGITAL IMAGE – THE ROMANS

Pictures can be stored in a computer as a grid of numbers. Each number gives the colour of that small area or **pixel**. This is also the way digital images are stored and represented on a screen.

The Romans had the same idea when creating mosaics to decorate their floors. They created designs using lots of coloured squares. They called them **tesserae**. In this one the tesserae are labelled with Roman Numerals but the key is in decimal.

Can you colour in each pixel the correct colour using the key to help you?

X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X

Welcome to our Big Bike Revival pop up Dr Bike event

Free health checks on your bike
to keep you cycling safely

Learn to Fix

Provide instruction, training and skills for people to learn and improve maintaining their bike with confidence. Booking essential.

Thursday 28th July, 7.00pm-9.00pm

Friday 29th July, 11.00am-1.00pm

Saturday 30th July, 10.00am-12.00pm

Tuesday 2nd August, 7.00-9.00pm

Dr Bike

These sessions include 30-minute bookable slots to provide services to make essential repairs and checks to ensure bikes are safe.

Wednesday 27th July, 11.00am-3.00pm

Monday 1st August, 11.00am-3.00pm

Saturday 6th August, 11.00am-3.00pm

Beginner Group Led Rides

Group rides will last an hour led by experienced ride leaders at a slower pace to improve riding confidence.

Saturday 30th July, 12.30-1.30pm

Tuesday 2nd August, 1.00-2.00pm

The Big Bike Revival programme is coming to Northampton this summer. The programme consists of three types of sessions, Dr Bike, Learn to fix, and Ride.

During the Dr Bike sessions, the bike mechanic will carry out an 'M' cycle safety check on booked in bikes which covers the brakes, gears, chain, tyres and frame. Replacement parts could include brake pads, brake and gear cables, and tyre innertubes.

During the Learn to Fix sessions, these 2-hour sessions provide instruction, training and skills for people to learn and improve by maintaining their bike with confidence. Booking essential.

Group rides will last an hour and led by experienced ride leaders at a slower pace to improve riding confidence.

Please note places must be booked in advance to guarantee your place. [Please follow the link here to the booking form.](#)

Miss Bland

Enjoy watching netball?

A netball tournament for all – any teams are welcome, to join from any location.

The family fun day includes:

- 2 large bouncy castles
- Toddler soft play area
- Burger van
- Pizza van
- Dessert van
- Coffee van
- Bar
- Stalls

Go along and see some great matches.

Miss Bland

Dancing. Wellingborough
£15.00 per day or £12.50 for siblings.

Available from Year 1 to Year 6

There will be a limit on spaces available.

First come first served.

Hope to see lots of you there!

Please

Contact: kerrybuckby@hotmail.com
to book your place

invites you to a FREE

OPEN DAY

SATURDAY 3rd SEPTEMBER

We are a **registered charity** made up of a group of young people who are **passionate** about the **performing arts** and we are committed to coming together on a **weekly** basis to create work of a **high standard**. You can join us from **Year 1** onwards up until you are 18!

Come and join us for our open day at the **Silhouette Studios** in **Weston Favell Shopping Centre!**

Please visit

www.silyt.com/open-day

to **sign up!**

Our sessions are run by **professionals** who have a lot of **experience** of working in drama, music, dance, songwriting and film. We pride ourselves on the **standard of our work**.

COME AND JOIN US!

Simon de Senlis Primary Weekly Update – 22nd July 2022

Family Fund

Helping disabled children

Family Fund helps families with disabled or seriously ill children with: grants, IT support, accessing benefits and information on other support available. If you feel you may benefit please look at the link below or speak to Mrs Holland or Mrs Haigh for help.

[Family Fund Support | Family Fund](#)

If you're raising a disabled or seriously ill child, we might be able to help. There are three things to consider when applying to Family Fund:

1. **Are your family eligible?** We help families living in the UK on low incomes. Check our [eligibility criteria](#) to find out if this could be you.
2. **If you have applied to us before,** [check when you can you apply again.](#)
3. **Is your child eligible?** We use our own criteria to assess your child or young person's additional support needs. Look at our [child and young person eligibility criteria](#) to see if we might be able to help.
4. **Get an application form.** If you've read the information and think you would be eligible, [you can get started right now](#) and [register to apply online](#), [download an application pack](#) or [we can send a pack to you.](#)
5. **We cannot provide an additional grant for a further child within the same family until:**

Are you looking for part time job?

We are looking to recruit a reliable and committed Lunchtime Supervisor to join our hard-working team. The successful candidate will be able to work effectively as a member of the team, have excellent interpersonal skills and consistently support the school values and approaches.

Start date ASAP.

Days of work: Monday – Friday

Starting salary: Grade C, Point 2 (£18,198 FTE – pro-rata). Hourly rate £9.43

Contract: Permanent, 5 hours per week (term time only – 38 weeks per year)

If you are interested and would like more details or would like to apply please email: info@simondesenslis.org

*Did you know that we're registered with **easyfundraising** and you could help us to raise funds for the school at no extra cost to yourself?*

When you shop online, with over 4,100 of your favourite retailers, including John Lewis & Partners, Amazon, eBay, notonthehighstreet, you will raise FREE donations for Friends of Simon de Senlis.

If you're not already signed up, it only takes a few minutes, then you can begin using the easyfundraising website or app straightaway - simply shop online as normal. This will be an enormous help to the school, at no extra cost to yourself.

SOME NEWS FOR OUR CHILDREN

22ND JULY 2022

Pictured: The giant tennis ball mosaic. Source: Anna France-Williams @anna_fw Twitter page.

WaterAid Wows Wimbledon

The Wimbledon Foundation and WaterAid created a giant tennis ball mosaic near No 1 Court showing 10-year-old Tefy, from Antsakambahiny village in Madagascar, enjoying clean water. The design is to highlight how more than 11,000 children's lives could be transformed during the tournament with access to clean water. Because of the charity's work, Tefy now has clean water at school and near his home. He said, "We no longer fetch water down the hill anymore

since we have taps in our school. The water here is very clean and fresh." The amazing artwork created by artists from 'Sand in Your Eye' took 12 hours to complete. Finn, aged nine, and Darcey, eight, who are both part of the Wimbledon Junior Tennis Initiative, helped to put the final 100 balls into place. Finn said, "I can't imagine not having clean water. I love the mosaic and I think the work that WaterAid does to help children is really good."

The World's Largest Water Lily

Experts have found a new, giant, water lily species for the first time since 1837. Scientists at the Royal Botanic Gardens, Kew in London, announced that it had been hiding in plain sight whilst living among their other plants in their Herbarium for 177 years! It had been previously mistaken for a different species of giant water lily. The giant water lily, that grows in Bolivia, has been confirmed as a distinct species (using DNA analysis) and named *Victoria boliviana*.

The third species of giant water lily to be identified is also the largest, with leaves growing more than 3m wide! Some people think that the water lilies have grown so large so that they can compete with other plants for sunlight. "The lily pads could definitely take the weight of a young child," says Natalia Przelomska, a member of the research team at Kew Gardens.

Pictured: The world's largest water lily, being measured at Kew gardens. Source: Kew Science Twitter page.

Hurt Tortoise Finds New Hope

Chester Zoo's new special ploughshare tortoise, Hope, was rescued from smugglers and could now help save his species from extinction! The Madagascan tortoise was found in a suitcase at Hong Kong airport in 2019, with 56 other endangered tortoises. Upon inspection, it was discovered that one of his front legs was damaged and was thereafter amputated. To help him balance and get around, wheels were fitted to the bottom of his shell by a local animal rescue centre. The ploughshare tortoise is categorised as Critically Endangered - there are less than 300 in the wild. Zookeepers say that Hope's under-shell roller supports were upgraded whilst he was at Chester Zoo, and he is now moving around his new habitat even more speedily than his three tortoise companions. Chester Zoo tweeted, "This is three-legged ploughshare tortoise, Hope... the RAREST tortoise in the world. He was RESCUED from illegal smugglers after being snatched from the forests of Madagascar. Hope is one of the last of his kind, and he's here to help save his species from extinction!"

Pictured: Hope, the three-legged ploughshare tortoise.

Last week's topic:

Is it important for everyone to have a hobby?

It is good to have hobbies because otherwise you could be bored. It is also a great way to make new friends!
Class 2B – Beamont Primary School

Yes, because it's not fun when you don't do anything and most people don't like being bored in their free time.
Emir

Yes, It is important to have a hobby because it motivates us.
Anshika

It is good to have a hobby because it is something that you enjoy and it will improve your mental health. You shouldn't be forced to do it because that takes all the fun out of it.
Bella

Should there be more rules for trampolines?

In the news this week

A recent study, conducted by the British Medical Journal (BMJ), has found that trampolining is to blame for half of all activity-related UK Accident and Emergency (A&E) hospital admissions in under-14s. The report, published in the BMJ's Injury Prevention journal concluded, "trampolining is fun but potentially dangerous" after analysing 1.4 million trampolining injuries from around the world. Researchers found children were twice as likely to suffer broken bones or sprains when using trampoline centres rather than home trampolines.

Things to talk about at home ...

- > Share your own experience of using trampolines. Have you visited a trampoline park or used trampolines in a garden or home? Do you enjoy using them?
- > What is your response to the study? Were you surprised to hear that trampolining causes so many accidents?
- > Have you ever had an accident resulting in an injury? What was the cause?
- > Do you think there should be rules for trampolines?

Please note any interesting thoughts or comments
